

What is the Thomas H. Moore Illinois Electric Cooperatives (IEC) Memorial Scholarship Fund?

The IEC Memorial Scholarship Fund was established by unanimous vote of the Board of Directors of the Association of Illinois Electric Cooperatives (AIEC) in January, 1994. It is designed to provide financial assistance to deserving students in the “electric cooperative family.”

The “driving force” behind creation of the fund was Thomas H. Moore, long-time Executive Vice President and General Manager of the AIEC. Mr. Moore, who retired in January, 1994, strongly believed that a fund and scholarship program should be established to provide a means by which cooperatives and individuals could honor deceased members of the electric cooperative family through memorial gifts. The scholarship program was re-named in honor of Mr. Moore after he passed away in 2008.

The scholarship program prospered under the leadership of Earl W. Struck, who succeeded Mr. Moore and served as President/CEO of the AIEC from 1994 to his retirement in 2006. Mr. Struck passed away in August 2007. The AIEC Board of Directors that month unanimously voted to honor Mr. Struck’s memory by naming the annual scholarship awarded to the son or daughter of an electric cooperative employee or director the “Earl W. Struck Memorial Scholarship.”

The Illinois Community College System Foundation (ICCSF) administers the IEC Memorial Scholarship Fund. Seven scholarships were awarded in 2010 and that number will expand to eight in 2011.

Beginning in 2011, a new annual scholarship will be awarded, the “LaVern and Nola McEntire Lineworker’s Scholarship”. LaVerne McEntire served as a co-op lineman for over 42 years. He and his wife, Nola, helped to endow and establish this new scholarship to assist students in attending the lineworker’s school at Lincoln Land Community College in Springfield, IL. For eligibility requirements, please see the “LaVern and Nola McEntire Lineworker’s Scholarship Official Rules and Regulations.”

PLEASE NOTE: The remainder of this brochure deals with the other seven (i.e., non-lineworker) scholarships included in The Thomas H. Moore IEC Memorial Scholarship Program.

How much is the scholarship?

Each annual scholarship is worth \$1250. The scholarship must be used for educational costs, and the student must enter college within a year from the time the scholarship is issued.

Who is eligible to receive the scholarship?

Four scholarships will be awarded to students who are the sons or daughters of an electric cooperative member who resides in Illinois and is receiving service from the cooperative at the time the scholarship application is submitted.

A fifth scholarship – the Earl W. Struck Memorial Scholarship – will be awarded to a student who is the son or daughter of an electric cooperative employee or director who resides in Illinois.

A scholarship applicant is eligible for consideration in only one of the above two categories, and is eligible to apply through only one electric cooperative.

The applicant must be a high school senior who is planning to enroll in a full-time (at least 12 hours) undergraduate course of study at an accredited two-year or four-year college, university, or vocational/technical school in the United States.

The sixth and seventh scholarships will be awarded to a high school senior who will be enrolling full-time at a two-year Illinois community college. Sons and daughters of electric cooperative members, employees and directors who reside in Illinois are eligible to apply.

For full eligibility requirements, please see the “Thomas H. Moore IEC Memorial Scholarship Program Official Rules.”

How are the recipients selected?

Scholarships are awarded based on grade point average, college entrance test scores, work and volunteer experience, participation in school and community activities, biographical statement and knowledge of electric cooperatives, as demonstrated by a short essay.

How does someone apply?

To apply, a student must meet the required criteria and complete the scholarship application available from the local electric cooperative office. Each applicant is responsible for submitting all information required to apply for a scholarship and for returning the application to the local electric cooperative by **January 1, 2010**.

How can contributions to the IEC Memorial Scholarship Fund be made?

Checks should be made payable to:

**“ICCSF/IEC Memorial
Scholarship Fund”**

and mailed to

**P. O. Box 3787
Springfield, IL 62708.**

Memorial gifts should list the person in whose memory the gift is given. All contributions by individuals are tax-deductible.

THOMAS H. MOORE ILLINOIS ELECTRIC COOPERATIVES (IEC) MEMORIAL SCHOLARSHIP FUND

Association of Illinois
Electric Cooperatives

Your Touchstone Energy® Partner 

**THOMAS H. MOORE
ILLINOIS ELECTRIC COOPERATIVES (IEC)
MEMORIAL SCHOLARSHIP PROGRAM
OFFICIAL RULES**

◆ A total of eight \$1,250 scholarships will be awarded each year under the Thomas H. Moore IEC Memorial Scholarship Program. These “Official Rules” will govern the award of all the scholarships **except** for the new eighth scholarship, the “LaVern and Nola McEntire Lineworker’s Scholarship” (for that scholarship, please see the separate sheet entitled “LaVern and Nola McEntire Lineworker’s Scholarship Official Rules & Regulations”).

Four scholarships will be awarded to students who are the sons or daughters of an electric cooperative member who resides in Illinois, or who is a member of an Illinois electric cooperative, and who is currently receiving services from the cooperative at the time the scholarship application is submitted.

A fifth scholarship, the "Earl W. Struck Memorial Scholarship," will be awarded to a student who is the son or daughter of an electric cooperative employee or director who resides in Illinois.

A scholarship applicant is eligible for consideration in only one of the two above categories. The above scholarships may be used for educational costs at any two-year or four-year accredited college or university in the United States, including vocational/technical schools.

The sixth and seventh scholarships will be reserved for use at a two-year Illinois community college. Sons and daughters of electric cooperative members, employees and directors who reside in Illinois are eligible.

Applicants are eligible to apply through *only one* electric cooperative.

- ◆ The applicant must be a high school senior.
- ◆ The electric cooperative through which a scholarship applicant applies must be a member of the Association of Illinois Electric Cooperatives.
- ◆ Scholarship winners must begin undergraduate studies within a year of being notified that they have won.
- ◆ Scholarship winners will be expected to be “full time” students (at least 12 hours).
- ◆ Scholarships are for one year and are not renewable.
- ◆ Scholarships will be awarded based on grade point average, college entrance test scores, work and volunteer experience, participation in school and community activities, biographical statement and knowledge of electric cooperatives as demonstrated by a short essay.
- ◆ **Deadline for receipt of completed applications and submissions is JANUARY 1, 2011.**
- ◆ Scholarship winners will be notified by May 1, 2011.

THOMAS H. MOORE ILLINOIS ELECTRIC COOPERATIVES (IEC) MEMORIAL SCHOLARSHIP APPLICATION

Name _____

Address _____
Street or Route

_____ City State Zip code

Telephone Number () _____

Date of Birth _____

Name of Parent or Guardian _____

Electric Cooperative _____

High School Attended _____

H.S. Grade Point Average (100 Point Scale) _____
(e.g. if your school uses a 4 point scale, multiply your G.P.A. by 25; if your school uses a 5 point scale, multiply your G.P.A. by 20)

Most Recent S.A.T. and/or A.C.T. Score _____
S.A.T. A.C.T.

Please put an "X" in the boxes if the statement is applicable:

- I am the son or daughter of an electric cooperative member who is currently receiving services from the cooperative.
- I am the son or daughter of an electric cooperative employee or director.
- I intend to enroll at a two-year Illinois community college.

Biographical Statement

Write a brief biographical statement that includes your educational goals, financial need and other pertinent information about yourself that you feel is important. The biographical statement should be typewritten and double-spaced, and attached to the application. Please do not make any reference to name, county, or home location.

Please submit an essay of 500 words or less in your own words. The essay should be on ONE of the following topics:

- *How and why is the cooperative business model important to you and your community?*
- *What does your electric co-op mean to you and your community? How could some of the co-op principles apply to your life?*
- *Congressional “cap and trade” climate legislation has arguably been the most important federal legislative issue facing electric cooperatives since the inception of the program in the 1930’s. The U.S. House in June 2009 passed HR2454, legislation to deal with climate change (“global warming”), and to cap greenhouse gas (e.g., CO₂) emissions, but the U.S. Senate has not yet passed anything comparable. The national electric cooperative position is that not-for-profit co-ops favor comprehensive Congressional climate legislation, but that any such legislation must be “fair, achievable and affordable.” Please comment and provide your perspective.*

Statement of Applicant and Parent or Guardian

We have examined this application, including accompanying submissions, and to the best of our knowledge and belief, it is true, correct, and complete.

Date: _____ Signed: _____
(Applicant)

Date: _____ Signed: _____
(Parent or Guardian)

Deadline for receipt of completed applications and required submissions is January 1, 2011.
